Booth Products _____

Please Initial Next to each Statement

I agree to keep my booth area clean, to provide my own booth facilities, and to use and provide my own trash receptacles if I am selling food and beverage

I agree not to sell food unless I have given prior notice in the "Booth Products" above, and I understand that the Colorado Dept of Health requires that food for sale be produced in a licensed commercial kitchen.

I understand that booth set up may begin at 9:00 AM and booth hours are 11:00 AM - 6:00 PM. I agree to keep my booth open for the duration of the festivities, weather permitting.

I agree that my vehicle may only be parked in the area for set up (prior to 11:00 AM) and break down (after 6 PM). I understand that my vehicle may not be parked on the grass.

I agree to uphold Town of Crestone ordinances, including the fire ban, and to cause no harm to anyone or to any property during this event.

I understand that there is no insurance for my own liability as a vendor, and that I am encouraged to carry my own business liability insurance.

I understand that this agreement is for two (2) days; I agree to set up my booth with the described products above for both full days. I understand that there will be no security between the two days, so anything I leave overnight will be at my own risk.
